Newsletter - September 2020

Welcome to the The Royal Artillery Charities newsletter. This is where you can keep right up to date with all the Regimental Family's news and information.

If you have any news for the Gunner website or the Newsletter from your regiments, branches, districts and regions we would love to receive them. Please ensure that you have permission to share information and images.

The Gunners

•75th Anniversary of VJ on 15 August 2020•

A message from Lieutenant General Sir Andrew Gregory KBE CB DL, Master Gunner St James's Park, commemorating the 75th Anniversary of VJ Day on 15th August 2020.

Please find the video link [here](#).

• RAA Assistant Secretary – Cas Thoburn •

I think it is fair to say we have all made changes to our routines, socialising with close friends and family and last minute changes to holidays since March have become normal. At the time of writing, we have just passed the 200 days milestone since COVID began to impact our lifestyles, but we are a resilient bunch and continue to make the best of this difficult situation.

The Charities have implemented a split working pattern, where we work from home and come into work on a shift rota. Our teams continue to support you throughout this pandemic and if you require assistance from the Charity please do not hesitate to get in

touch. If you know someone who needs our help, please [contact us](#). We are here for you.

Regrettably we had to cancel the Royal Artillery Assembly that was already rescheduled to be held in October; along with national and local events planned for the latter part of year, which continue to be affected by government restrictions. A good way to keep in touch with the Association is via the [website](#) and our [facebook group](#) for news, updates on events and information. The Regiment recently commemorated VJ Day on 15th August with Master Gunner St James's Park addressing us all via video and as a nation we said goodbye to the forces sweetheart, Dame Vera Lynn, who passed away aged 103, and gave us hope through her songs and continues to do so today. The photographs below is when Dame Vera Lynn visited Larkhill in 2005 hosted by Colonel Tom Fleetwood, COS DRA. Keith Brigstock arranged the 93rd Searchlight Regiment RA reunion, the only all-female Regiment in the Army's history.

Advertised in this edition of the newsletter we continue to celebrate the 100th Anniversary of the Royal Artillery Association with a special commemorative coaster gift set that you can purchase and we have also advertised the Charity Christmas card order form.

Please do keep in touch with me with any articles for the Gunner website and Newsletters to promote our Charity with events, reunions and fundraising. My email address is RAA-Asstsec@artycen.ra.mod.uk I can also be contacted on my working from home email, CasRAA@outlook.com. Best wishes to you all.

· Events ·

It is with regret we had to cancel the Royal Artillery Assembly that was already rescheduled to be held in October and we sincerely apologise for any inconvenience caused. COVID 19 is still a very real threat, the UK Government and MoD policy guidelines are constantly being reviewed, almost on a daily basis. We continue to monitor events and liaise with the organisers, adhering to their advice for the safety of our community and the public.

Hyde Park Corner - attendance at the Cenotaph this year will be greatly reduced. At Hyde Park Corner there will be wreath laying, but this is not open to the public. We will advise you if the circumstances change.

St Barbara's Day - with the current government restrictions in place, further details will follow on this event.

Please monitor the RAA [website](#) and [facebook group](#) for any further information and event updates.

We Are Here For You

The RACF Welfare Grants Team have continued to work remotely since lock down began. During this period we have awarded £228,172 in Welfare Grants to serving and veteran members of our regimental family. Supporting those that are struggling to pay for items that they need, is our way of paying back for the service they have given us. Throughout this period we have seen a constant need for support and we have assisted 338 of our regimental family to get through some difficult periods. The biggest category where help was needed was with household goods and we awarded over £42,500 for this. Annual Grants amounted to £41,100 and over £28,300 in help was offered to those with mobility needs. We understand that when assistance is needed it is important to get the funds processed quickly to the individual. We continue to make decisions quickly and grants are awarded within 3 working days.

If you become aware of a member of the Gunner family in need, in the first instance please contact SSAFA (0800 731 4880 or, from the SSAFA website, by email or web chat) or the RBL. They can access funds not just from regimental charities but from the wider service charities such as ABF. If however they are unable to make a timely response, please contact the welfare team using their 'working from home' email at sarahjane.hatt374@gmail.com and we will liaise with the other agencies to release funds where there is an urgent need. The team now has a mobile number and can be contacted on 07784 952882 during office hours. Please don't suffer alone.

How We Help

NHS

mental health care for veterans

Mental illness is common and can affect anyone (including serving and ex-members of the Armed Forces and their families). Whilst some people cope by getting support from their family and friends, or by getting help with other issues in their lives, others need clinical care and treatment, which could be from the NHS, support groups or charities.

Within the NHS, there are a range of mental health services that provide different types of care and treatment. This includes dedicated mental health services for service personnel approaching discharge from the British Armed Forces and veterans. By veteran we mean anyone who has served for at least one day in Her Majesty's Armed Forces (regular or reserve).

These dedicated services are called the NHS Veterans' Mental Health Transition, Intervention and Liaison Service (TILS) and the NHS Veterans' Mental Health Complex Treatment Service (CTS).

Both of these services are provided by specialists in mental health who have an expert understanding of the Armed Forces.

Accessing NHS mental health care for veterans

Access to both of these services is through the TILS. You can contact the service direct (see below) or ask your GP or a military charity to refer you.

North of England services: call 0303 123 1145 or email wwals@nhs.net

Midlands or East of England services: call 0300 323 0137 or email mevs.mhm@nhs.net

London or South East of England services: call 020 3317 6818 or email cim-tr.veteranstilservice-lse@nhs.net

South West of England services: call 0300 365 0300 or email sc.veterans@nhs.net

To access these services you must:

- Be a resident in England and have served in the UK Armed Forces for a full day
- Be registered with a GP practice in England or be willing and eligible to register with a GP
- Provide your military service number or another form of eligibility

It is important to register with an NHS GP and tell them that you have served in the Armed Forces so, where appropriate, you can access these and other dedicated services for veterans.

· The Gunner Lottery ·

Gunner Lottery was launched last year for the benefit of the Gunner charities. The hope is that the Lottery can raise much needed funds and raise awareness of the good work done by the Royal Artillery charities.

You can take part as an individual or syndicate; Battery, Regiment or RAA Branch. You could be in with a chance of winning the top prize of £25,000 each week.

The Draw takes place every Friday.

CANTERBURY HORSE

We feel so honoured and blessed that The Dean of Canterbury Cathedral, The Very Revd Dr Robert Willis conducted a service of commemoration in the shadows of our giant Canterbury Horse to remember animals in war and animals in need. It was ahead of the first National Animal Day and was organised by our wonderful Ambassador for Kent, John Bishop. He was joined by other members of the Canterbury Branch of the Royal Artillery Association(RAA), Peter Hughes, Douglas Kay, Dennis Gabb and Joe Correa and wives and partners. John tells us a vote of thanks to the Cathedral is in order especially to Emma Clarke (events) and the Dean and Canon Treasurer, The Reverend Andrew Dodd, who were happy to support at short notice. " I also want to thank the ladies of the Branch for the giant knitted purple poppy wreath, which they made by sewing together dozens of small poppies they had made. It was a windy day but we managed to pin the wreath on our majestic wooden horse. Over eight million horses died during WW1, of which many travelled through Kent on their way to the continent, so we feel this service of Commemoration was very apt and fitting."

The Canterbury Horse was created as a result of a partnership between Canterbury School of Visual Arts at Canterbury College and Canterbury Cathedral, and collaborative working between students, academics and the technical and engineering departments. It has been gifted to War Horse Memorial and we have big plans to include it in our future campaigns.

Norwich Branch

ONCE A GUNNER, ALWAYS A GUNNER....

153649 FRANK CECIL BARRETT, A Gunner in The Royal Horse Artillery (RHA) died on 28th August 1920 aged 23.

Frank was born in 1897 and lived in the village of Mulbarton, South Norfolk. He was one of 4 children. At the age of 13 he worked as a messenger boy and went on to become a Nurseryman until February 1916 when, after applying to join the RHA, he was accepted and mobilised in August of that year, aged 18.

Frank served with the British Expeditionary Force in France from 1916-1919 and also served in Germany. In May 1919 he was moved to W Battery 6th Brigade. In January 1920 he was moved to G Battery (or W Battery was replaced.) He was discharged from service in March 1920 and returned home to Norfolk.

In August of that same year, Frank died in hospital from Subacute Infective Endocarditis and Cerebral Embolism which is believed to have been attributed to his war service, which accounted for his grave to be registered as a war grave.

Frank Barrett was awarded the British War Medal and the Victory Medal.

The Heritage Group in Mulbarton did a survey on the churchyard around 2007/8 and at the time there was nothing on the memorial to suggest Frank's grave was indeed, a war grave. Research was undertaken and Frank Barrett's name was discovered on a list on the Commonwealth War Graves Commission (CWGC) website. Although his grave was registered as a war grave, Frank had died in 1920, after the war memorial in Mulbarton was commissioned. However, he has now been commemorated on the Roll of Honour.

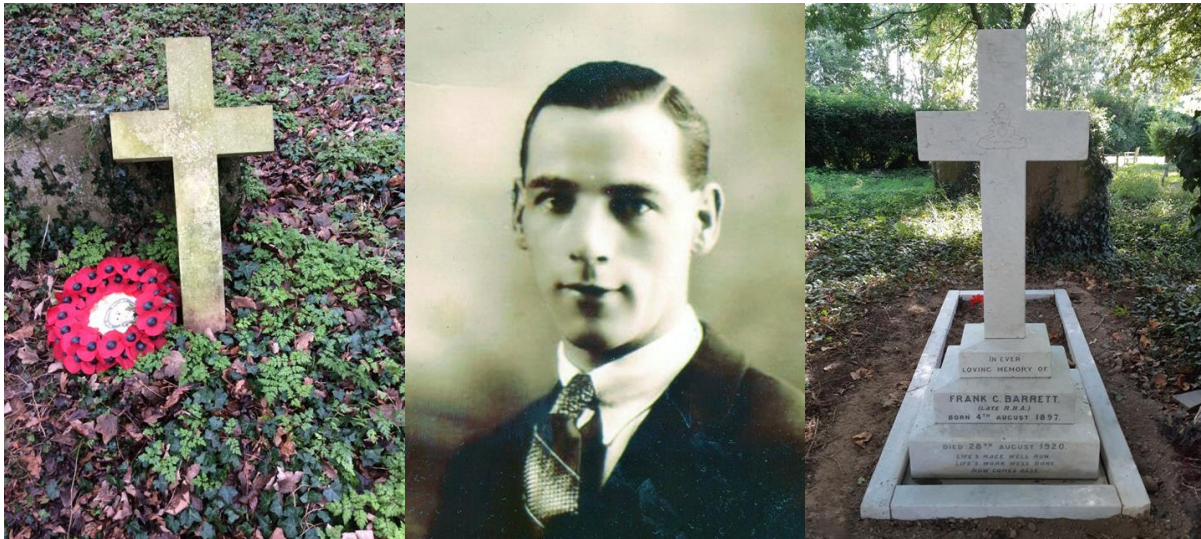

The gravestone was discovered in a state of great disarray, broken and covered with ivy.

It was difficult for any restoration to be undertaken regarding the grave because, before proceeding, any family of Frank Barrett had to be traced, as they were legally responsible for the grave as originally, the gravestone had been placed there by his family.

Eventually, the Church in Mulbarton was allowed to take responsibility for the grave, in lieu of the family and initially the Parish Council agreed to take on the project. However, due to many other commitments delay seemed inevitable. News of the grave being discovered had reached the Secretary of Norwich Branch Royal Artillery Association and as Frank was a Gunner (and therefore always would be,) he approached the local vicar and offered to become involved in the process of the restoration, on behalf of the RAA, which was agreed. After liaising with firstly, the War Graves Commission, (who could not get involved due to the original gravestone being placed there by family) the Secretary then sourced and subsequently secured a local stonemason, Paul Miles, who very kindly and generously, agreed to take on the project. Paul did a marvellous job, not only in repairing and restoring the gravestone and plinth but also engraving onto the cross, the cap badge of The Royal Horse Artillery as per WW1.

It was initially intended that Frank's grave and Frank himself would be commemorated with a formal re-dedication within the village's VE Day celebrations but as these were cancelled, due to the coronavirus outbreak, sadly this could not take place and Paul replaced the gravestone in Mulbarton Churchyard in July of this year, where it now stands fully restored, as a reminder of the great sacrifice, Frank and so many others made for their country.

Frank's grave is tended by volunteers in the village where he is now, so rightly, being remembered and respected; not only as a son of Mulbarton but also for his war service and as always, honoured as one of our own, in the great 'family' of The Royal Artillery.

· Regimental News ·

Thank you very much for your continued support and fundraising for the Gunner Charities.

A HUGE congratulations to Captain Harry Grantham, SO3 Equine Assurance Officer at Headquarters, London District who swam the English Channel on 10 Sep 20 to raise awareness of mental health issues and raise funds for the RACF.

It took Harry a mammoth 16 hrs and 37 minutes to complete the challenge, he has now joined the exclusive club as a fully certified English Channel Swimmer. I am sure you will all agree this is a huge achievement, read Harry's story at this [link](#) and support him if you can. Every donation received helps a soldier in need and every bit of awareness could save a life.

47 Regiment Royal Artillery

Over the lock down period members of I0 (Assaye) Battery, 47 Regiment Royal Artillery and their families completed a distance of 2,676 miles from Larkhill to Akrotiri by running, walking, swimming and cycling to fund raise for the RACF. LBdr Hollie Charlton presented a cheque to the Regimental Secretary.

19 Regiment Royal Artillery

To celebrate the Battery's battle honour on 21 July 2020, 127 (Dragon) Battery, of 19th Regiment Royal Artillery (The Scottish Gunners) undertook a huge challenge. They ran, cycled and swam the distance from Larkhill to the site of the battle of Chinking Fu, a total distance of 5,667 miles. The Battery started on 15 Jun and finished their last mile outside the RHQ RA, where they presented the Regimental Secretary with a cheque.

101 Regiment Royal Artillery

A fantastic effort from the Regiment and their families for completing 84 miles, the same length as Hadrian's Wall, by walking or running around their local areas. Catch up with them on their journey in this fun video sharing their photos, videos and history of their home towns.

105 Regiment Royal Artillery

Congratulations to 105 Regiment Royal Artillery who smashed their target fundraising for the Royal Artillery Charitable Fund. In May, members of the Regiment ran 100 miles or cycled 200 miles. The event had 3 objectives: raise money for the RACF, encourage exercise and bring together the Gunner community. We join WO1 (RSM) Stuart Paine on the final day via 105 Regiment RA facebook [link](#) who ran over 300 miles as part of the event.

· Fundraising for your Charity ·

The Charities revised their fundraising platform last year and we now use Enthuse. If you are fundraising for the RACF/RAA or giving the Charity individual donations, please click [here](#) to donate.

· The Cornwall Cup ·

All donations for the Royal Artillery Charitable Fund and Royal Artillery Association go towards winning the Cornwall Cup and must be received by **31 December 2020**. Congratulations to 14 Regiment RA who won the Cup in 2019.

Fundraising is vital for the Royal Artillery Charitable Fund if we are to keep supporting all our individual cases and our Regiments. As part of the regimental family I hope that the Royal Artillery Charitable Fund, if not already, will become the 'Charity of first choice' to all serving Gunners.

The Royal Artillery Charitable Fund and Royal Artillery Association are very grateful to everyone who has fund-raised on behalf of the Charities and for the funds that you have collected so far this year.

• Joan Wanklyn Memorial Prize •

The Joan Wanklyn Memorial prize is a bursary to be presented each year by the Royal Artillery Association in memory of Miss Joan Wanklyn who was, for many years, our Regimental Artist.

The Bursary comprises a cheque of £500 is to be presented at the RA Assembly in May 2021. Applications are open to the sons, daughters and grandchildren of Serving or Retired members of the Regiment, regardless of rank or station, who have reached the tertiary stage of education and are in or about to begin their first year of a course at a recognised College or University to study art in its broader form.

Contact Emma Pagan-Skelley on 01980 845895 or Emma's email for further details emm.Pagan-Skelley100@mod.gov.uk . Applications are requested by 22 January 2021.

· The Borneo Graveyard 1941-1945 ·

Twelve years of research and five years of writing has produced my book The Borneo Graveyard 1941-1945. It is officially published but the only outlet is myself in the UK and the publishing house in Kota Kinabalu. Five copies have been sent to the Agency for the Legal Deposit Libraries in Edinburgh and to the British Library. I am now in the position to promote and sell the book! The book flyer is attached to wet the appetite.

I was hoping to have a book launch in KK in March but C-19 put an end to that. If all goes well, then the Sabah book launch will go ahead in either March or August next year with SABAH UBIQUE. A wish maybe.

The book costs £25 plus £4 UK postage and packaging. Payment is via BACS transfer or a cheque. The book can be signed and dated 15 August 2020 (the date of VJ Day) and personalised for an individual or dedication then please let me know the details.

For further details, please contact John Tulloch - johnsmtulloch@gmail.com

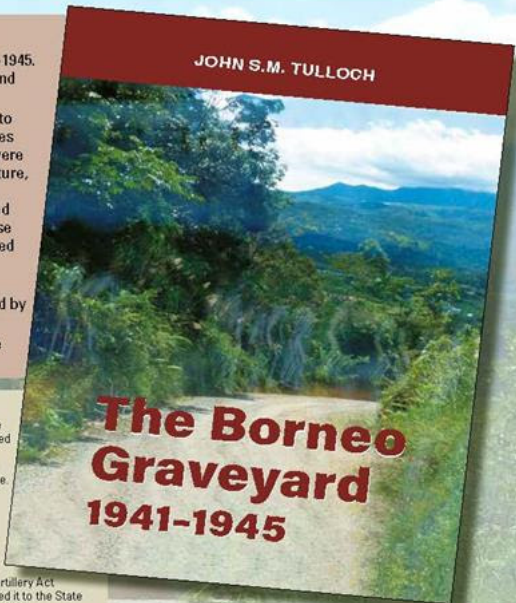

About 'The Borneo Graveyard 1941–1945'

This book portrays the horrific story of Borneo during the Japanese occupation of 1941–1945. Thousands of Australian, British, Dutch and Indian POWs, internees, locals of Borneo and Javanese ransha perished in Borneo during this period.

Allied POWs, who were sent to various POW camps in British and Dutch Borneo, were to die of maltreatment, malnutrition or execution. Many were forced to walk Death Marches in the jungle which came to a horrifying conclusion. Internees of several nationalities were held in internment camps and suffered dreadfully. The local populace also suffered; torture, executions and massacres occurred and malnutrition was endemic. At great personal sacrifice, however, they helped the POWs and internees. The secretive Z Force gathered intelligence and trained local guerrilla fighters who exacted a heavy toll on the Japanese forces, whilst local tribes took their final revenge. In 1945, the Australian military engaged in bitter fighting to liberate Borneo.

This book closes with the convalescence of survivors at Labuan, followed by the repatriation of British POWs and internees, and the dreadful wall of silence experienced by so many on returning to the UK.

This book is a tribute to the strength of character and bravery of those who endured the Japanese occupation.

About the author

John Tulloch was educated at Victoria College, Jersey, CI. His military career began in 1965 in the New Zealand Army. He attended Officer Cadet School Portsea in Australia, and was commissioned into the Royal New Zealand Artillery (RNZA) in 1966. Whilst serving in Vietnam with 161 Battery RNZA from July 1968 to July 1969, John developed his jungle warfare expertise. This, along with his nine years' service in the New Zealand Army, would become such an important part of his life.

John transferred to the British Army and Royal Artillery in March 1973 and completed two Northern Ireland tours, followed by a two year secondment to the Sultan of Oman's Artillery in 1978. He later commanded 137 (Java) Battery RA, which included a tour in the Falkland Islands in 1982. From 1994 John began advising and instructing for the next 21 years on the British Army's Jungle Warfare Instructors' Course (JWIC) in Brunei. He also supported major jungle exercises in Belize for 10 years.

Retiring from the Army in 2003 and becoming a MOD Civil Servant, John continued to instruct on JWIC until May 2015. He instigated and organised various commemorative projects in Sabah, including SABAH SALUTE, the Royal Artillery Act of Remembrance in Sabah in August 2011. He researched and created the North Borneo Roll of Honour and presented it to the State of Sabah in March 2016 and to the Royal Artillery at the Service of Remembrance in Hyde Park, London, in November 2016.

John was honoured with the MBE in 2003 and the Royal Artillery Medal in 2011.

An author of several articles about the Vietnam War and Borneo, he also gives talks on these subjects to the military, history groups and schools. Since retiring from the Civil Service in 2015, John began writing 'The Borneo Graveyard 1941-1945', the product of 12 years of research. This is his first book.

The Royal Artillery Craft Beers

We are proud to announce the arrival of two very special guests.

THEY TASTE GOOD. THEY DO GOOD.

Champions in their own right, these fine craft beers were hand-picked in June 2019 by a tasting committee of over 90 Gunner soldiers. Gunner IPA and Gunner Pilsner are more than simply great-tasting, flagship examples of the brewer's art. For every litre of beer sold, The Crafty Brewing Co., will make a donation to Royal Artillery Charities – to fund sport, adventure and challenge activities for all Gunners – be they regular or reserve.

So now, when you raise a glass of your very own Royal Artillery craft beer – to slake a thirst, make a toast or in tribute to absent friends – you'll be putting a smile on more faces than just your own.

These delicious Gunner craft beers make their debut this evening and are provided courtesy of The Crafty Brewing Co. for you to enjoy. They will shortly be available in keg and 500ml bottles to every Royal Artillery Mess and for purchase online from November 2019.

To place your advance order visit www.craftybrewing.co.uk

TASTING NOTES:

Gunner IPA – ABV 4.2%

Gunner IPA is a modern classic. It is a golden amber, lightly-hopped IPA bearing all the hallmarks of its four international hop superstars – Simcoe, Chinook, Amarillo and Perle. Refreshing citrus and pine notes are mellowed by toasted fine English crystal malts.

Gunner Pilsner – ABV 5.0%

Gunner Pilsner is a refreshing, full-flavoured, mellow craft lager. Expertly crafted with pale malts and the prince of 'noble' hops – Tettnang. This pilsner is conditioned for 12 weeks and naturally carbonated for a crisp, mouth-filling quaff.
